¹ Service Charges may be prorated in equal payments over a four (4) month period.

5.7.1. Recurring Rates

Charter Business® Voice Trunk Service

This is a local exchange private, dedicated access service. This T1 Primary Rate Interface (PRI) or Integrated Services Digital Network (ISDN) service will be provided over fiber facilities only and configured with up to 23 voice and 1 signaling channel and will be available to business customers who choose the Telephone Company as their IntraLATA toll and InterLATA long distance provider. Services are available to business customers within the local service area of the Telephone Company and who subscribe to the local exchange service of the Telephone Company. The quantity of services provided is dependent on the technical feasibility at the specific location. The rates for this service will be determined on an Individual Case Basis.

Local exchange service as described in this tariff with the exception of Line Intercept Services, will be provided for Charter Business® Voice Trunk Service. Also included is Caller Identification, Ten Toll Free numbers (upon request) and logical grouping of the channels across voice trunks. Service Charges as described in section 5.7.4 for business will be applicable to this service. Additional construction and facilities may be required at the customer's expense and will be determined on an Individual Case Basis.

Direct Inward Dial (DID) numbers are available for purchase with Charter Business® Voice Trunk only. DID numbers come in blocks of numbers up to 20 and 100.

DID 20 Block	\$10.00 per month
DID 100 Block	\$40.00 per month

The following services as described and priced in this tariff for business services are also available with Charter Business® Voice Trunk.
